I have studied the pages of the "How to Avoid Plagiarism" tutorial site. After doing so, I have taken the quiz available on the site. I am confident that I know what plagiarism is and how to avoid it, and that I know the policies on plagiarism at Indiana University. If I had questions after finishing the tutorial, this document confirms that I have sought help from my academic advisor and I do now understand what plagiarism is and how to avoid it.

I understand that there will be no acceptable excuse for plagiarism if it is discovered in my work.
